Civil Action NO.Villafuerte et al.,)declaration)I Ricardo A. Patonhereby declare: That on April 12, 08 I was in

Kentakee County Jail on Max C. Pad. Myself and my co-defendant on my criminal case, Israel Munoz,
were fed up with the way we were being treated at the Jail and we asked a number of times to speak
to a supervisor, because we were being ignored and comments were being made to us, we became
more agitated and from that both of us stopped up our toilets and caused a major flood on the
pad. We flooded our cells for 15 to 20 minutes, my cell was at the end cell # 8 and my co-defendants
was under mine. The door to the pad burst open and several officers (or six) ran in the pad. One was
a supervisor and he had his Tazer in his hand. So much water was on the floor, the top catwalk
stairs on the other side of the flood and yelled into the radios open cell # 5. Right when the cell door
opened I heard a loud pop sound and screaming from Ralph King who was in that cell, the officers
were yelling and about a couple minutes later he was brought down the stairs with wires sticking
out his back. The guards were behind him, the supervisor in front of the others holding the
tazer in front of him. When they were out the door, Ralph was Tazered again and fell and the
officers surrounded him screaming profanity at him until he got himself up and closed the door. A few
minutes later they ran back in and came directly to cell # 6 upstairs Mariano Hernandez cell. Without any
warning they opened cell # 6 and I heard a pop again and heard Mariano screaming in pain, I heard
back like Ralph King, before he was taken off the deck (Pad) he was Tazered once more and
screamed and yelled at him. Neither one Ralph or Mariano were brought back to the pad until
a few hours later.

Villafuerte et al.,declarationDECLARATIONx Israel Munoz GallardoCivil Action No.

I Israel Munoz - Gallardo hereby declare: That on April 12, 08 I was incarcerated at the Kankakee County Jail on max C pod. On this date myself along with my co-defendant on my criminal case, Ricardo Pabon, became "fed-up" with the treatment we had been receiving at the jail & numerous times asked to speak to a supervisor, to no avail because we were ignored & racial slurs were hurled at us, e.g., "Shut up spics there isn't anyone here", we become even more agitated which unfortunately led to both of us stopping up our toilets & causing a massive flood on the pod. We were flooding for about 15-20 minutes, my cell was situated on the far end of the gallery & my co-defendant was directly above mine. All of a sudden the door to the pod burst open & several guards (approx. 6) ran in the pod. One of which was a supervisor & he had his TAZER in his hand. There was so much water on the main floor that you couldn't tell which cell it was coming out of. The guards ran straight up the stairs, the opposite end from where we were flooding, & yelled into the radios for 5 cell to be opened. Immediately upon opening I heard a loud cracking sound, & screams from the inmate in that cell (RALPH KING), the guards were yelling & about a couple minutes later they brought him down the stairs with wires protruding out of his back. The guards were walking behind him, the supervisor in the lead holding his tazer in front of him & the other end of the wires were attached to his TAZER. As they led him out the door MR. RALPHS was TAZERED again & fell & the guards surrounded him screaming obscenities at him until he got himself back up & the closed the door. A few minutes later they ran back in & went directly up the stairs to cell 6, occupied by Mariano Hernandez, without giving warning they got his door opened & once again I heard the loud cracking sound & right after heard MR. Hernandez screaming out as if in extreme pain, I heard the guards yelling & soon after they brought MR. Hernandez down the stairs also with wires coming out his back & also like MR. KING, right before they took him off the pod they TAZERED him once more & screamed & yelled at him. neither one of them was brought back to the POD for a few hours.

Me and there are other's!! on 4-3-08 I Angel Concepcion was placed on cell Block Flex-C, that night I used the commode and when I was done I noticed that the water was slow to go down as if on the verge of clogging. I immediately reported this to the officer whom was working cell Block Flex-C, and was told by her to let the 1st shift know so maintenance could be called. the next morning I used the toilet to urinate when I flushed it over-flowed, I informed the officer. time on about 2:15 PM. and maintenance was summoned. Not long after the plumber arrived and within minutes found the problem some one who previously occupied the cell had flushed some kind of food wrapper. However the cell block officer allowed me to use the mop and bucket to clean my cell since toilet over flowed, when I wrung the mop out for the last time A small piece of
